9" ECO PLUSH GORILLA SOFT TOY

This eco plush soft toy has been made from 100% recycled plastic, which means as well as putting a smile on a child's face, it has helped to reduce waste and protect the environment.

Did you know - a toy of this size usually takes around 14 plastic bottles to manufacture, but a million plastic bottles are bought around the world every minute!

Plastic bottles that get thrown away are responsible for 73% of all beach litter across the world, and have a devastating impact on wildlife, both in the sea, and on the land.

SUBMARINE - BLUE HANDLE

Take the helm of the my first green toys submarine for a nautical journey to help protect the planet! Submerge it underwater to explore the terrain at the bottom of the tub, and let it resurface to scan the horizon in search of the next earth-friendly adventure. This sturdy watercraft features a spinning rear propeller, a flat bottom for added stability, and the classic handle and wide-mouth opening combination for plenty of scoop-and-pour fun. The cabin can be opened for easy cleaning.

Safe, non-toxic; contains no BPA, PVC, phthalates or external coatings. Guaranteed to produce hours of good green fun!
